

## 74595 FAIRWAY PALM DESERT

Walk through the front door and say WOW!!  
Decorator's home with a HUGE, park-sized BACKYARD.  
Must see this expansive 4 bedroom home. Light &  
Bright, flowing, open 'entertaining' floorplan. Bring  
groceries straight into the kitchen from the garage, tons  
of cupboards space with pull out cabinets, corian  
counter tops. Since everyone ends up in the  
kitchen...the cook will greatly appreciate the 12 foot  
wide pass through opening to the family room/TV  
sunroom where walls of glass provide a panoramic view  
of the yard. Ready to Enjoy! MLS 21394593
